

# A Post-WYD08 Resource for Youth Ministry

## Rewired is for

- The young people who return from WYD08 with enthusiasm to share their faith, and their friends who are not really engaged in the life of the Church.
- The parish looking to form a youth group
- The school keen to encourage their student leaders to outreach
- The university interested in small faith sharing groups

## Who conducts *Rewired*? - Young people

- *Rewired* is conducted by young people for young people.
- *Rewired* can be run by the two or three youth leaders in the parish in a group that already exists or as a way of starting a youth group.
- *Rewired* can also be conducted in schools or on university campuses by student leaders with the support and/or guidance of teaching/mission staff.

## *Rewired* has Six Sessions

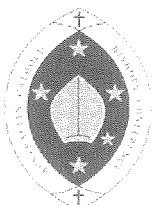

1. Who is God?  
*How do I recognise him?*
2. Our Identity  
*Who am I? Who is Christ?*
3. Encountering Jesus Christ  
*Through the Eucharist and in the Church*
4. The Mission of Jesus in the Church  
*Yesterday, today and forever*
5. A Life of Service  
*Responding to Jesus' invitation*
6. Our Call to Witness  
*Jesus is Risen*

## *Rewired* (see sample pages above) features:

- 6 A4 paintings by the German artist priest Sieger Köder
- An optional DVD featuring Fr Stan Fortuna CFR

Manuals and DVD available from the National Office for Evangelisation (See attached Order Form) Support material downloadable free from the from the NOE website

*"Rewired is a great resource for the New Evangelisation. I highly recommend Rewired as a way of continuing the spirit of WYD08 in a practical and effective way for young people"* Deacon Nick MacFarlane, Office of Evangelisation, Archdiocese of Hobart
